Correction to: *AI and Ethics* <https://doi.org/10.1007/s43681-024-00631-2>.

The original online version of this article was revised:

Reference [21] was changed to Reference [19] after “... characteristically or under certain conditions.” The word “Earp” was deleted from: “For example, in Earp [19].” Reference [19], originally listed as “Earp, B.D. (2021). Relational morality. Doctoral dissertation, Yale University. Retrieved from https://elischolar.library.yale.edu/gsas_dissertations/325” was incorrect and replaced with the correct reference: “Earp, B.D., McLoughlin, K.L., Calcott, R., Carraccio, M., Monrad, J.T., Owen, A.M., Crockett, M.J., Clark, M.S.: How social relationships shape praise and blame: Strengthening and extending the relational norms model (2025). <https://www.researchgate.net/publication/387959265>.”

The original article has been corrected.
