

1 **SUPPLEMENTAL MATERIALS DOCUMENT**

2
3 **Title**

4 Mapping multiple wild pig species' population dynamics in Southeast Asia during
5 the African swine fever outbreak (2018-2024)

6
7
8 **Supplementary Materials**

9
10 **Figure S1** | Distribution of responses by participants and per country. For panel (a) most
11 experts contributed observations from one site (one survey entry), while a few were able to
12 provide observations from sites.
