ADDENDUM

Beyond skills: How occupational essentiality and social value relate to attitudes toward immigrant labor – ADDENDUM

William L. Allen, Mariña Fernández-Reino and Isabel Ruiz

DOI: 10.1017/S1475676526101492. Published by Cambridge University Press, 13 July 2026.

The authors wish to add a replication package to the supplementary materials for the above article. The package contains the data and code supporting the analysis presented in the article.

The online supplementary materials have been updated to include the replication package alongside the previously published PDF containing additional analyses and robustness checks.
