

Description of Additional Supplementary Files

File name: Supplementary Movie 1

Description: Cryo-EM densities of the mini-vRNP in the State-In conformation.

File name: Supplementary Movie 2

Description: Structural model of the mini-vRNP in the State-In conformation.

File name: Supplementary Movie 3

Description: Cryo-EM densities of the mini-vRNP in the State-Out conformation.

File name: Supplementary Movie 4

Description: Structural model of the mini-vRNP in the State-Out conformation.

File name: Supplementary Movie 5

Description: Cryo-EM densities of the FluPol:NP-0:RNA unit within the State-In conformation of mini-vRNP.

File name: Supplementary Movie 6

Description: Cryo-EM densities of the FluPol:NP-0:RNA unit within the State-Out conformation of mini-vRNP.
