S12 Fig Sensitivity maps to seasonal P, T, P² and T² for maize, rice and wheat where sensitivity = coefficient / change.

sensitivity to seasonal precipitation change: Maize

sensitivity to seasonal temperature change: Maize

sensitivity to seasonal precipitation change: Rice

sensitivity to seasonal temperature change: Rice

sensitivity to seasonal precipitation change: Wheat

sensitivity to seasonal temperature change: Wheat

sensitivity to seasonal precipitation change squared: Maize

sensitivity to seasonal temperature change squared: Maize

sensitivity to seasonal precipitation change squared: Rice

sensitivity to seasonal temperature change squared: Rice

sensitivity to seasonal precipitation change squared: Wheat

sensitivity to seasonal temperature change squared: Wheat
