We are removing the BRIEF-A scale (Table A1) from the paper due to a copyright claim from PAR Inc. The resulting changes are as follows:

1. Table A1 has been removed.
2. The previous Table A.2 has been renumbered to Table A.1, and all other A tables have been renumbered analogously.
3. In Section 2.2.1 (p. 33), the reference to Appendix Table A.6 has been changed to Appendix Table A.5.
