

Website	Assay name	Assay target	Stage of development	Regulatory body	Technology principle	Instrument requirement	Laboratory/ Point of care	Self-testing or professional use	Validated sample types	Manufacturer	Country of manufacturer HQ	Region of manufacturer HQ
<a href="https://sunlongbiotech.com">https://sunlongbiotech.com</a>	Human Lassa Virus IgM ELISA Kit	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma;Urine; Tissue/Biopsy;Other	Sunlong Biotech	China	Western Pacific Region
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan-Lassa Combo NP/ Prefusion GP IgM ELISA Kit – RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan-Lassa Combo NP/ Prefusion GP IgG ELISA Kit – RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa NP IgM ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa Prefusion GP IgM ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://sunlongbiotech.com">https://sunlongbiotech.com</a>	Human Lassa Virus IgG ELISA Kit	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma;Urine; Tissue/Biopsy;Other	Sunlong Biotech	China	Western Pacific Region
<a href="https://bnitm.de">https://bnitm.de</a>	BLACKBOX LASV IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum	Bernhard Nocht Institute for Tropical Medicine	Germany	European Region
<a href="https://bnitm.de">https://bnitm.de</a>	BLACKBOX LASV IgM ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum	Bernhard Nocht Institute for Tropical Medicine	Germany	European Region
<a href="https://shhtm.ac.uk">https://shhtm.ac.uk</a>	Lassa IgG Double Antigen Binding Assay (DABA) ELISA	Antigen	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Saliva;Serum;Plasma; Other	London School of Hygiene & Tropical Medicine Hospital for Tropical Diseases	United Kingdom	European Region
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan-Lassa Antigen Rapid Test RUO	Antigen	Research Use Only (RUO)	None	Lateral Flow Assay	No instrumentation is required	True Point of Care	Intended for professional use only	Serum;Plasma;Finger prick blood;Whole Blood	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa NP IgG/IgM ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa Prefusion GP IgG/IgM ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa Linked GP IgG/IgM ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa Prefusion GP IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa Combo NP/ Prefusion GP IgG/IgM ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Combo NP/PF GP IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV NP Lineage II IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Linked GP Lineage II IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Linked GP Lineage IV IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa Linked GP IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV NP Lineage IV IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa Antigen ELISA Kit RUO	Antigen	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Pan Lassa NP IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Prefusion GP Lineage II IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
<a href="https://zalgen.com">https://zalgen.com</a>	ReLASV Prefusion GP Lineage IV IgG ELISA Kit RUO	Antibody (serological)	Research Use Only (RUO)	None	ELISA/EIA	Standard lab instrumentation is required	Lab-based	Intended for professional use only	Serum;Plasma	Zalgen Labs	United States	Region of the Americas
